*The Cowan Jr. Sr. High School handbook provides the key provisions of school board policy. The board policy manual should be consulted for the full text of a particular policy. In addition, should any provision of the handbook contradict board policy, the board policy will prevail*

## **ALCOHOL/ILLEGAL DRUGS/TOBACCO/PARAPHERNALIA**

At NO TIME will consumption, possession, or distribution of alcohol, illegal drugs, or tobacco be accepted by Cowan Jr/Sr High School. This includes, but is not limited to, on the school grounds immediately before or after school hours, anytime when school is in session, or any function directly or indirectly connected with Cowan Jr/Sr High School. If suspected of violating this expectation, the administration of Cowan Jr/Sr High is within their rights to question and search students, their vehicles or lockers in an effort to maintain a safe environment for all students. If the administration deems it appropriate, due process procedures will be followed and if needed the proper authorities will be contacted.

## **ANTI-BULLYING POLICY**

The school board of Cowan Community School Corporation is committed to providing a safe, positive, productive, nurturing educational environment for all of its students. Bullying behavior toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated.

### **I. Definitions**

1. As defined by IC 20-33-8-.2, bullying means overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student and create for the targeted student an objectively hostile school environment that:
  - a. Places the targeted student in reasonable fear of harm to the targeted student's person or property;
  - b. Has a substantially detrimental effect on the targeted student's physical or mental health;
  - c. Has the effect of substantially interfering with the targeted student's academic performance; or
  - d. Has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, and privileges provided by the school.
2. This policy applies regardless of the physical location when the individual committing the bullying behavior and any of the intended targets of the bullying behavior are students within Cowan Schools and the bullying behavior results in substantial interference with the school discipline or an unreasonable threat to the rights of others to a safe and peaceful learning environment.

### **II. Reporting Procedures**

1. Any student who believes that he or she has been or is currently the victim of bullying should immediately report the situation to the building principal or assistant principal. The student(s) also may report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator. Reports may be made to those identified above or made anonymously through the mailbox located near the

counselor's office or the anonymous reporting link on the school's website.

2. Making intentionally false reports about bullying for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action.

### III. Investigation

1. The principal or designee shall conduct a thorough and complete investigation for each report of an alleged incident of bullying received. The investigation shall be initiated by the principal or the principal's designee in a timely manner.
2. Once the incident is determined to be a bullying incident and the investigation is completed, appropriate disciplinary response and follow up services for both the targeted student and the bully are determined. The nature of the incident, disciplinary response and proposed follow up services will be determined by the severity of the bullying issue.
3. Law enforcement will be contacted if the nature of the bullying incident rises to the level of a criminal offense.

### **APPOINTMENTS TO SEE TEACHERS OR ADMINISTRATORS**

Cowan Jr/Sr High fully supports parental/guardian involvement in your student's education. If you would like to speak with a teacher or an administrator, appointments can be made by contacting the given party. The administration encourages parents to first contact teachers regarding any class related questions via email or by phone, as they have the best perspective of issues within their classroom. However, if at any time you need to reach an administrator, we are more than happy to help. Students are also welcome to make appointments to see an administrator or counselor in the Student Services office.

### **AR/STAR TESTING REQUIREMENTS**

- **ALL students at Cowan Jr.-Sr. High School will take part in the Accelerated Reading Program.**
- **ALL STUDENTS, regardless of reading level, WILL EACH TAKE TWO AR QUIZZES per grading period which will be recorded as 20-point Quiz grades for that Quarter (grading period).**
- ***English students, who are NOT reading AT GRADE LEVEL or above, must earn AR goal points for the grading period.***
- The amount of points needed will depend on each child's reading level.
- The table below shows the reading levels students in grades 7, 8 & 9 need to attain per Quarter in order to be exempt from AR Goal Quiz Points.

## STAR Reading Level Requirements by Quarter for English 7, 8 & 9

Grade Level	Required STAR Reading Level		
	7	8	9
Beg Qtr 1	7.0	8.0	9.0
End Qtr 1	7.3	8.3	9.3
End Qtr 2	7.5	8.5	9.5
End Qtr 3	7.8	8.8	9.8
End Qtr 4	8.0	9.0	10.0

### STAR REQUIREMENTS

- Students will take a STAR Reading test each quarter (grading period) except for the first quarter, when they will take two (2) STAR Reading tests.
- These scores will determine each student's reading levels to see if the student will need to read for AR Goal points, or if he/she will be exempt from them for the next Quarter.
- **From 10<sup>th</sup> grade on, as long as the student maintains a Reading Level of 10.0 or higher, he/she will be exempt from reading for AR Goal Quiz Points, but WILL STILL BE REQUIRED to read 2 AR books per Quarter for the 20-point quiz grade.**

**Seventh, eighth, and ninth graders who score AT OR ABOVE THE REQUIRED LEVEL on the STAR reading test for the Grading period (Quarter) will be EXEMPT from AR goal points for THAT grading period ONLY.**

### AR GOAL POINTS REQUIREMENTS

- **Accelerated Reader** counts for a certain percentage of the student's final weighted grade for the Quarter, depending on the grade they are in.
- Students earn points toward this goal **ONLY** when they score 70% correct or higher on 20-question quizzes, or 60% correct on 10-question quizzes
- **This percentage will be recorded AT THE END OF THE GRADING PERIOD.**
- Earning a very low AR score or a score of zero **WILL CERTAINLY LOWER the Quarter Grade.**
- **AR is an important part of the English grade. The following table shows the weighted percentage of AR for each grade level.**
- **Failure to achieve this point goal percent WILL lower final grade.**

GRADE IN SCHOOL	% OF FINAL GRADE
7TH	10%
8TH	10%
9TH	10%
10TH	10%
11TH	10%
12TH	10%

### ATTENDANCE POLICY

In order for your child to receive the best education possible, they must be in good standing regarding attendance. Not only is it vital for learning, but it is also deemed vital by Indiana State law. The following speak to the different definitions and procedures regarding school attendance:

#### Truancy

Truancy may be defined in a variety of ways: (1) the willful refusal to attend school in defiance of parental authority, (2) choosing to not attend a class during the school day, (3) Failure to be in an assigned location as expected by teacher or staff. **Habitual truancy**, as defined by Indiana code, is a student who is chronically absent, by having unexcused absences from school for more than ten (10) days of school in one (1) school year.

#### ABSENCES

There is a seven (7) day absence limit **per semester**. All absences after seven (7) will be unexcused and make-up work will not be permitted. Excessive absences from school could result in removal from a credited class and/or recommendation for expulsion (through the due process procedure). Credit may not be granted for any class that semester.

Junior High students may be referred to juvenile probation on the twelfth (12) absence.

Absences confirmed through physician verification or for any of the reasons listed below, will not count toward the seven (7) day limit. Verification for any of the reasons listed below must be received within three (3) days of return to school. Pre-arranged vacation **will be** counted on the seven (7) day limit and **may not** be used to extend that limit. **An extension of the seven (7) day absence limit per semester shall occur for properly verified absences for the following reasons:**

- a) Serving as a page in the General Assembly
- b) Death in the immediate family
- c) Absences certified as necessary by a doctor
- d) Doctor or dental appointments
- e) Election workers
- f) Pre-arranged religious holidays
- g) Suspensions
- h) Students who are subpoenaed to court
- i) Active duty with the Indiana National Guard pursuant to orders of not more than 10 days
- j) A dangerous communicable disease or infestation with parasites transmittable through normal school contacts
- k) Other reasons granted by the principal

## College Visits:

Juniors are allowed one (1) college visit per year. Seniors are allowed two (2) college visits per year. Students need to obtain a letter/note from the college or university for the absence to be excused. College visits will not count towards the seven (7) day limit.

## Absence Procedure:

An absence is anytime that a student is not in school. When a student is not in school parents are asked to call and verify the absence before 9:00 a.m. **that morning**. If a phone call is impossible, notes will be accepted only the day the student returns. If the absence is excused, the student will have the same number of days to make up assigned work missed. However, in-class work or unannounced quizzes will not be made up. If an absence is unexcused, the student **will not be permitted to make up work missed for credit**. Students are unexcused if a phone call or note is not received by the school from the parent. **Long-term assignments are due on a specific “due-date” even if an absence occurs. A long-term assignment is defined as one given a week in advance of due date.**

Any student who is more than ten minutes late to first period class will be counted absent unless excused by the principal or assistant principal. Students more than 5 minutes tardy during the school day will be considered truant. Parents will be notified as to excessive absences using the following guidelines:

- a) After five days – notification by mail and possible parent conference.
- b) After seven days – notification by mail. A parent-student conference may be scheduled. Credit may be lost upon the tenth (10) absence. Expulsion from school or the Delaware County Probation Office may be notified.

## PERFECT ATTENDANCE AWARD

The Perfect Attendance Award will be given to students who have not been absent any portion of any period during the entire school year. The only exception will be absence due to teacher assigned activities i.e. field trips.

## AUTOMOBILES

Students who wish to drive to school must register the vehicles they will drive. Each student driven car on the school property must be registered. **Students may not ride mopeds, bicycles, motorcycles, etc. to school.** ALL registered cars must display the registration tag from the rear mirror. Failure to do so may result in loss of driving privileges or further disciplinary action may be taken. The following are guidelines for student drivers:

1. Register your vehicle in the main office
2. Students may not enter the parking lot during the school day unless permission is obtained from the office.
3. Any parking lot accidents are to be reported to the office and to proper authorities.
4. Reckless or negligent driving on the school grounds at any time will result in suspension of driving privilege.
5. There is to be no smoking by any student in any car while in the parking lot.
6. **Student drivers with a chronic record of tardies may lose driving privileges.**
7. Individuals and vehicles must be licensed as required by law.

8. The school retains the right to inspect student vehicles while on school property.
9. All student drivers must be eligible through the random drug testing procedure.
10. No loitering in or near automobiles on school property before or after school hours.

### **BEFORE AND AFTER SCHOOL**

1. Any student arriving before 8:00 AM should remain in the athletic hallway until the first bell rings, unless he or she is attending a scheduled meeting.
2. After arriving on school grounds, students are not to leave unless permission is granted from the office.
3. No student should be in the building after 3:10 PM unless supervised by a teacher or for detention. Students waiting to be picked up after 3:10 PM must wait in the main lobby outside the front office.
4. Groups using the building in the evening must use only the section of the building reserved for them and leave all rooms and equipment in proper condition to resume the next day.

### **BUS RULES**

**RIDING A BUS TO SCHOOL IS A PRIVILEGE, NOT A RIGHT.** Violation of regulations may result in a loss of privileges. Driving a school bus carries a major responsibility. All students are expected to behave appropriately and follow the guidelines set by the bus driver. Failure to do so will result in a report to the office. **Buses will have cameras to monitor student behavior and safety. Administrators and the Transportation Director are authorized to view cameras at their discretion. Discipline concerns may result in the loss of bus privileges or further discipline action. Parents/Guardians will be responsible to bring and pick up students who are removed from the bus.** Students may only ride the bus they are assigned to, unless written permission from a parent/guardian has been submitted to the office and approved by the administration. The administration reserves the right to decline requests if needed to ensure the safety of all students.

### **CAFETERIA**

The school cafeteria is maintained as a vital part of the health program of the school. To encourage good nutrition, a well-balanced breakfast & lunch are offered at a reasonable price (**\$1.50 for breakfast & \$2.60 for lunch**). **Food brought or delivered to school from “fast food” restaurants should not be brought into the café, unless prearranged with an administrator.** Students are required to clean up their area of the lunch room, failure to do so will be addressed as needed. **FOOD IS NOT TO BE TAKEN FROM THE CAFETERIA.** Additionally, if a student runs out of lunch money funds, they will be permitted to charge up to \$10.00. After a form of notice, students who are more than \$10.00 in the negative could be offered an alternative lunch. An alternative lunch will cost \$.40.

### **CELL PHONES/SMART WATCHES**

Students are encouraged to leave cell phones/*smart watches* at home for safekeeping. However, if you bring a cell phone to school, **it must be kept in your locker and turned off. Students are not to have a cell phone in their possession during the school day** (These guidelines may be waived if a teacher has received permission from administration to allow for classroom use only). Students are not to use a cell phone anywhere on school grounds during school hours (8:10 AM - 3:00 PM). If a teacher or staff member suspects a student does have a cell phone *out (or is using a smart watch in*

place of a cell phone, i.e. texting, talking, etc.) they have the right to confiscate the phone/smart watch and submit it to the office and a referral will be written.

If an administrator has reasonable suspicion to believe that a cell phone might have proof of violated discipline codes beyond possession of a cell phone, only the administrator or designee may search the contents of the phone in compliance with search and seizure regulations. **If you need to get an urgent message to your child, please call 289-7128 and we will be happy to help.** The following is the Cowan Jr/Sr High School's protocol regarding cell phone violations:

- 1<sup>st</sup> - Cell phone must be picked up by a parent and 3 Hour Friday Detention.
- 2<sup>nd</sup> - Cell phone must be picked up by a parent and 3 Hour Friday Detention.
- 3<sup>rd</sup> - Cell phone must be picked up by a parent and 1 Day of In-School Suspension.
- 4<sup>th</sup> - Cell phone must be picked up by a parent and this will be viewed as Insubordination and the student will serve 1 day of Out of School Suspension.

**\*\*\*\*IMPORTANT INFORMATION REGARDING CELL PHONES\*\*\*\***

Students and parents, please be aware that the school corporation is legally responsible to report certain issues to the proper authorities. In the eyes of the law, possession and distribution of nude or sexual photos via a cell phone, in some cases, violates laws that protect against child pornography/exploitation. "SEXTING" is an issue in many schools, and our respective professional organizations have notified us of the obligation to inform you that such violation must be reported to the local police and in some circumstances students, if found guilty, may be required to be registered as sex offenders. Please speak with your children regarding this issue. Thank you.

**\*Cell phones are not to be used in restrooms/ locker rooms before or after school hours.**

**CHANGE OF ADDRESS**

A change in name, address, or telephone number may be completed on PowerSchool using the E-collect forms. You may also contact the office to make these changes.

**CHARGES FOR DAMAGE OR LOST ITEMS**

Students will be assessed a fee for lost or damaged school owned books or supplies.

**SCHEDULE CHANGE POLICY**

Cowan Jr. / Sr. High School strongly advises students to carefully choose courses during the scheduling process that begins sometime in January. Students are given several weeks to look through the course description handbook and ask questions of parents, teachers, and counselors before making their final selections for the upcoming year. The master schedule is then created based upon student course requests and students are scheduled into classes. Due to the complex nature of the scheduling process, changes will be granted only for the following reasons:

1. Errors made by the school. (Parent signature not required)
2. Medical reasons with documentation.
3. Failure of a course required for graduation.
4. Failure to meet prerequisites.
5. Course is needed to meet admission requirements. (Seniors only)

6. Replace a non-credit course with a credit-bearing course.
7. Diploma track change.
8. Addition of a required course for graduation.
9. Special circumstances approved by principal.

\*Course changes cannot be granted for reasons such as teacher preference, friends' schedules, or convenience.

Changes to a student's scheduling request form may be made until the last day of the previous school year. Schedule change requests for the above reasons will be considered starting one week prior to the start of the school year through the first 3 days of first semester.

Mid-Year schedule change requests will be considered starting the last week of the first semester through the first 3 days of the second semester.

### **CLASS RANKING AND GRADING SYSTEM**

Students are required to be enrolled in six (6) classes each semester. Selection of Valedictorian and Salutatorian will be based on eight (8) semesters.

1. Grade point averages are cumulative and computed at the end of each semester for students in grades 9-12.
2. **All subjects are included in computing grade point averages.**
3. At the end of each semester, grade point averages are put in ranked order (from highest to lowest) to determine each student's rank in class.

### **WEIGHTED GRADES**

AP Calculus, AP Chemistry, AP U.S. History, AP Physics, AP Spanish IV, English 11Dual Credit & English 12 Dual Credit courses will receive weighted grades. The earned grade in the course will be weighted an additional 1.00 when computing the grade point average and will also be used for class ranking. The change is the equivalent of one letter grade. The grade earned must be a minimum of C- to be weighted. Also, "College Prep" courses: American Literature & Comp., English Literature & Comp., and Pre-Calculus, will be weighted an additional 0.5. This change is equivalent of one-half letter grade. Also, the grade earned must be a minimum of C- to be weighted. It is strongly recommended for students to take American Lit & Comp. or English Lit & Comp. prior to taking a Dual Credit English course.

### **GRADING**

It will be each teacher's responsibility to give, record, and clarify grades assigned. Within 5 school days from the beginning of the school year each student will be given, in writing, the requirements, necessary to earn A, B, C, and D. Grades will be based on points earned for the home/class work, tests, and other projects.

***Semester grades will be determined by averaging the two (2) nine (9) weeks and semester exam. Each nine (9) weeks grade will count 40% and semester exam will count twenty percent (20%) of the semester grade.***

## Grading Scale:

All teachers will use the following scale:

100-98	A+	89-88	B+	79-78	C+	69-68	D+	59- F
97-93	A	87-83	B	77-73	C	67-63	D	
92-90	A-	82-80	B-	72-70	C-	62-60	D-	

The following codes may appear on report cards for the detailed reasons:

Code	Explanation
I	The grade is incomplete for various reasons and if make-up work is submitted by the deadline, the grade will be refigured. If work is NOT submitted in time, the grades will be calculated with scores of "0" from the incomplete work
W	Withdrawn from class
WF	Withdrawn from class with a failing grade/will be assigned by an administrator when a student is removed from class due to discipline or poor attendance

Any and all class change requests must be approved prior to the 3rd meeting of the class for the semester. No changes will be approved after classes have met 3 times.

## CLINIC – ILLNESS AT SCHOOL

Students needing to be seen in the clinic must report to student services. Students will never be permitted to go home until the parent or guardian has given authorization. Under no circumstances should students stay in a restroom or leave for home without proper authorization from the office. The school nurse or principal will make a determination regarding the appropriateness of sending a student home.

## COUNSELING SERVICES-CONFIDENTIALITY POLICY

As a counseling department, we recognize the importance of student confidentiality. Philosophically, we work to respect students' trust and keep session information private by restricting access to records or information. Our goal is to create a comfortable environment by respecting student privacy in an effort to encourage honesty on the part of the student. By law, counselors are required to intervene when there is potential risk of danger to harm one's self or others.

### Cowan Resource Time – C.R.T. Procedures & Expectations

1. You **MUST** have something school related (AR book, homework, study materials, etc.) to work on each day when you come to CRT. If you show up empty handed, you will have to go back to your locker to get something. If that makes you late, you will take a tardy.
2. Sleeping is **NOT** an option.
3. No food or drinks are permitted in the classroom. If you bring them, you will have to throw them away.
4. You are expected to work quietly and independently in your assigned seat. There will be **NO** talking. If you need to work with someone on an assignment, you need to bring a note from that teacher stating that you need to work together.

## DISCIPLINE

One of the responsibilities of school personnel is to maintain discipline. Discipline situations will be treated as learning experiences. The only purpose of a discipline assignment is to correct unacceptable behavior. Although students may be given a choice of discipline, disciplinarians are free to offer the choices they feel will be most effective. Some possible choices:

- (A) **Suspension from Class** –the student will sit in the office during that class hour only.
- (B) **Lunch Time Detention** – the student will be required to spend his/her lunch period in the office, and must bring a book to read or an assignment to complete. ONLY a basic school lunch will be served-extras will not be purchased.
- (C) **Friday Detention – 1 Hour (1 Hour FD)** from 3:05 PM - 4:05 PM. The school will not furnish transportation. Not coming to detention will result in further discipline.

- (E) **Suspension from School** – out of school suspension will last from one to ten days.
- (F) **In-School Suspension** – students are required to complete assignments, quizzes and tests for that day. Credit will be granted in most cases.
- (G) **Social Probation** – A student will not be allowed to attend or participate in athletic contests, dances or other after school activities if the following occur:
  - Fails to successfully complete assigned detentions
  - When otherwise designated by administration for discipline referrals or academic failures.
  - Students exceeding ten (10) days of absence and/or ten (10) tardies may be put on Social Probation for the semester.
  - Fails to pass a random drug test.
- (H) **Educational Contract** – the administrator, student, teachers and parents enter into an agreement that specifies the behavior of the student, the positive rewards and consequences of not living up to the contract. A violation of the contract may lead to expulsion, suspension, or other discipline.
- (I) **Expulsion** – a student may be expelled from school following the state due process guidelines.
- (J) **Loss of Driving Privileges** – I. C. 9-24-2-1 prohibits the Bureau of Motor Vehicles from issuing a driver's license or learner's permit to a student less than 18 who is under:
  - At least a second suspension from school for the school year
  - An expulsion from school
  - Considered habitually truant under I. C. 20-33-2-11

The Bureau of Motor Vehicles is also required to invalidate a student's license or permit for the same reasons.
- (K) **A Referral to Juvenile Court.**
- (L) **Community Service** – principal may assign a maximum of 120 hours of community service.
- (M) **Loss of work permit**

  - (b) suspend the student,
  - (c) make a reasonable attempt to notify the parent or guardian within twenty-four (24) hours of the term of the suspension, and the misconduct of the student.
5. Indiana code 9-24-2-1 enacted by the General Assembly may be enforced.
6. A student may not be suspended if:
  - (a) the end of the semester comes before the end of the suspension; or
  - (b) the action automatically prevents the completion of the overall course within the normal time.
  - (c) when "a" or "b" occurs, the procedure for expulsion must be followed

7. A student who is suspended from school will be expected to make up missed class work. A student will be allowed to complete and receive credit for all classwork (homework, projects, quizzes, tests, etc...). The student will complete the missed test(s)/project(s) within the same number of days that they were suspended. For example, if a student is suspended for three (3) school days, that student will have three (3) school days to complete his/her missed test(s)/project(s). **Students assigned to Priority School will be provided all homework assignments and will be expected to complete all work for full credit.**

### SCHOOL CLOSING

## SCHOOL RULES

The following are general expectations for all Cowan students. Our philosophy regarding any school rules is that we expect our students to show **RESPECT** to themselves, each other, adults, our equipment, and the building. As a staff we hope to model positive behavior and interaction for our students to create a safe and healthy learning environment.

1. **For the safety of all students, book bags or large purses WILL NOT BE PERMITTED in the classrooms.** Any bag or purse that is large enough to hold a normal size textbook should be placed in a locker. Book bags may be used to transport books to and from school, but must remain in lockers during the school day. Drawstring bags may be used to carry items to and from P.E.
2. **Public displays of affection (PDA's) are considered inappropriate in school. Never will necking, kissing, embracing or any other actions that bring inappropriate notice to an individual be considered proper and permissible. If students choose to disregard this expectation, consequences will follow.**
3. **Food and beverages are to be consumed in the cafeteria. Foods and beverages should not be taken into the gym or classroom without approval. Open drink containers are not allowed to be brought into the building (fountain drinks, coffee cups, soda cans, etc).**
4. Students are to comply with all reasonable requests made by teachers and staff members. A request is deemed reasonable unless it is immoral or illegal. Disagreements with a teacher or staff member may be brought to the attention of the Principal or his/her designee.
5. Students may not leave the building during the day without permission.
6. All students' personal items of considerable value should be left at home for safekeeping. The school will assume no responsibility for items lost or stolen. Do not carry large amounts of money in your pockets or leave it in your locker.
7. Keep corridors open to traffic by walking to the right. Do not block traffic by standing in-groups.
8. Use of profane, loud or improper language will not be tolerated.
9. Improper or inappropriate use of electronic devices that include but not limited to: cell phones, video cameras, computers, IPODS or any type of digital camera while at school, or attending a school sponsored activity, is grounds for discipline.
10. **Plagiarism, copying homework or any other method of taking credit for school work that is not your own will result in a "zero" for the assignment and possibly a loss of class credit. Students will be considered in violation of this rule if they provide answers or let another student copy from them.**
11. Fidget devices and tools should not be in classroom unless approved by resource teacher or administration.

## SCHOOL DANCES

1. School dances must have administrative approval. Students attending the dance must attend the dance directly after the prior event, (i.e. homecoming). If there is no prior event, the student must be in attendance no later than ½ hour after the start time. Example: Students will not be allowed to leave the homecoming game and then reenter the building for the homecoming dance.
2. Once a student leaves the dance, he/she may not return.

3. Students wanting to bring guests from other schools must pick up a request form from the office, fill it out completely, and return it to the office prior to purchasing tickets for the dance.
4. The administration reserves the right to restrict students from attending dances based on their behavior during the general school day. Students who have served an out of school suspension will be required to request permission to attend dances and prom.
5. Students participating in dances are to be eligible through the random drug testing policy.

### **SEARCH AND SEIZURE**

The School Board recognizes that the privacy of students or his/her belongings may not be violated by unreasonable search and seizure and directs that no student be searched without reasonable suspicion.

- A. As used in this section, “reasonable cause for a search” means circumstances which would cause a reasonable person to believe that the search of a particular person, place, or thing will lead to the discovery of: 1. evidence of a violation of the student conduct standards contained in the student handbook; 2. anything which because of its presence presents an immediate danger of physical harm or illness to any person.
- B. All lockers and other storage areas provided for student use on school premises remain the property of the School Corporation and are provided for the use of the students; subject to inspection, access for maintenance, and search pursuant to this section. 1. Locker searches will be conducted in accordance to I.C. 20-33-8-32. 2. A teacher may search a desk or any other storage area on school premises other than a locker when the person conducting the search has reasonable cause for a search.

  1. searches of the pockets of the students;
  2. any object in the possession of the student such as a purse or briefcase; and/or
  3. a “pat down” of the exterior of the student’s clothing. Searches of a student with removal of clothing other than a coat or jacket shall be referred to a law enforcement officer in accordance with sub-section G of this section. These searches of the person of a student shall be conducted in a private room by a person of the same sex as the student being searched. At least one but not more than three additional persons of the same sex as the student being searched shall witness but not participate in the search. At the request of the student to be searched, an additional person of the same sex as the student designated by the student, and then reasonably available on school premises shall witness the search.
- D. The privilege of bringing a student-operated motor vehicle onto school premises is hereby conditioned on written consent by the student driver, the owner of the motor vehicle and the parent or guardian of the student to allow search of that motor vehicle when there is reasonable cause for a search of that motor vehicle. Refusal by a student, parent or guardian, or the motor vehicle owner to provide or allow access to a motor vehicle on school premises at the time of a request to search the motor vehicle, shall be cause for termination without further hearing of the privilege of bringing a motor vehicle onto school premises. The principal or a member of the staff designated in writing by the principal may request a law enforcement officer to

- search a motor vehicle on school premises, subject to subsection G of this section.
- E. Anything found in the course of a search conducted in accordance with this section which is evidence of a violation of the student conduct standards in the student handbook may be:
1. seized and admitted as evidence in any suspension or expulsion proceedings if it is tagged for identification at the time it is seized and kept in a secure place by the principal the principal's designee until it is presented at the hearing;
  2. returned to the parent or guardian of the student from whom it was seized;
  3. destroyed if it has no significant value; or,
  4. turned over to any law enforcement officer in accordance with sub-section G.
- F. Anything found in the course of a search conducted in accordance with this section which by its presence presents an immediate danger of physical harm or illness to any person may be seized and:
1. returned to the parent or guardian of the student from whom it was seized.
  2. destroyed; or
  3. turned over to any law enforcement officer in accordance with sub-section G.
- G. The principal, or a member of the staff designated in writing by the principal, may request the assistance of a law enforcement officer to:
1. search any area of the school premises, any student, or any motor vehicle on school premises;
  2. identify or dispose of anything found in the course of a search conducted in accordance with its section. Where law enforcement officers respond to such a request, no school employee shall assist or otherwise participate in any search conducted.

### **SENIOR TRIP**

In order for a senior to be eligible for the Senior Trip (New York Trip), students must have a minimum of 30 credits before the beginning of their senior year. Any senior who does not have 30 credits before the first day of their senior year, will NOT be eligible to go on the senior trip.

### **STUDENT PRIVACY AND PARENTAL ACCESS TO INFORMATION**

The School Board respects the privacy rights of parents and their children. No student shall be required as a part of the school program or the Corporation's curriculum, without prior written consent of the student (if an adult or an emancipated minor) or, if a non-emancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- A. political affiliations or beliefs of the student or his/per parents;
- B. mental or psychological problems of the student or his/her family;
- C. sex behavior or attitudes;
- D. illegal, anti-social, self-incriminating, or demeaning behavior;
- E. critical appraisals of other individuals with whom respondents have close family relationships;
- F. legally recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers;

- G. religious practices, affiliations or beliefs of the student or his/her parents; or
- H. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program).

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. The parent will have access to the survey/evaluation within a reasonable period of time after the request is received by the building principal.

Additionally, parents have the right to inspect, upon request, any instructional material used as part of the educational curriculum of the student. The parent will have access to the instructional material within a reasonable period of time after the request is received by the building principal. The term instructional material means instructional content that is provided to a student, regardless of its format, including printed and representational materials, audio-visual materials, and materials in electronic or digital formats (such as materials accessible through the Internet). The term does not include academic tests or assessments.

The Board will not allow the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).

### **Directory Information**

**According to Cowan School Board Policy #8330, the superintendent may allow access to the school campus or give students' directory information to organizations that make students aware of educational or occupational options. Directory information shall not be provided to any organization for profit-making purposes. The board designates as student "directory information": a student's name; address; telephone number; date and place of birth; major field of study; participation in officially recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards received; or listing on an honor roll; and/or scholarships. By Indiana law (IC 20-33-10-1)**

Indiana schools can no longer deny the military access to "student directory information" which includes students' names, addresses, and phone numbers (if that phone number is listed or published). This law states that "a high school shall provide access to the high school campus and the high school's student directory information to official recruiting representatives of: 1. The armed forces of the United States, 2. The Indiana Air National Guard, 3. The Indiana Army National Guard, and 4. The service and academics of the armed forces of the United States – for the purpose of informing students of educational and career opportunities available."

Parents do have a right under one sub section of this law to submit a signed written request to the high school at the end of the student's sophomore year to indicate that the parent does not want their student's directory information to be released.

The administration at Cowan Jr. Sr. High School will comply with the new law. If the student and/or the parent requests that this directory information not be released to military recruiting representatives, the following procedure should be followed:

The parent or student must make the request in writing at the end of the student's sophomore year in high school. This is a one-time opt-out opportunity. If the

student opts-out in his/her sophomore year and later changes his/her mind a revocation may be made.

Parents and adult students may refuse to allow the Corporation to disclose any or all of such “directory information” upon written notification to the Corporation within five (5) days after receipt of the Superintendent’s annual public notice.

### **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) afford parents and students over 18 years of age (eligible students) certain rights with respect to the student’s education records. They are:

1. The right to inspect and review the student’s education record within 45 days of the day the School Corporation receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect.

The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask *COWAN COMMUNITY SCHOOL CORPORATION* to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School Corporation decides not to amend the record as requested by the parent or eligible student, the School Corporation will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interest. A school official is a person employed by the School Corporation as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School Corporation has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School Corporation to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office  
U. S. Department of Education  
600 Independence Avenue, S.W.  
Washington, D.C. 20202-4605

## TECHNOLOGY POLICY

Technology tools (computers, software, and networks) are available throughout the school corporation.

These resources are to be used to enhance the curriculum and provide a strong technological education for all. Our goal is to promote educational excellence by facilitating resource sharing, innovation, and communication. A technology contract for students must be signed by their parents and on file for all students. **In addition, Google training will be provided for all students who have access to Google Apps for Education (GAFE) at Cowan. An additional contract will be signed by students who have received this training and subsequent access to GAFE.** Any intentional violations of the corporation technology policy by students may result in disciplinary action by the school. This may include loss of technology privileges.

## TRANSCRIPT REQUESTS

Students needing a transcript will make those requests online at [www.parchment.com](http://www.parchment.com). Once registered on this website students can print or send transcripts electronically to the school or university of their choice. While this service is mostly free of charge, there are certain schools and universities that charge a small fee to receive transcripts from the parchment website. If this is the case for your school or university, report to the guidance department and they will send the request so the student is not charged.

## VANDALISM

The taxpayers of Cowan Community Schools have made a sustained financial commitment for the construction and upkeep of school facilities. To ensure that school facilities can serve those for whom they are intended, defacing or damaging school property of any kind (buildings, books, desks, athletic fields, etc.) will not be tolerated. Persons who willfully damage school property shall make proper restitution as determined by the Principal or Superintendent. Those individuals will be held liable for all damages and could also face criminal charges and/or expulsion (through the due process procedure). Restitution will also be required for damage due to carelessness that results in damage of school property.

### **VISITORS/SAFETY/SECURITY**

Cowan Community Schools may utilize video surveillance in order to protect Corporation property, promote security, and protect the health, welfare, and safety of students, staff and visitors. School Corporation buildings and grounds are under 24 hour surveillance.

- A. All visitors must report to the office when they arrive at school.
- B. All visitors are given and required to wear a building pass while they are in the building.
- C. Staff are expected to question people in the building whom they do not recognize and who are not wearing a building pass and to question people who are “hanging around” the building after hours.

Student visitors or friends of our students may not visit school unless pre-approval has been given by a building administrator

### **WIRELESS DEVICES**

Generally cell phones are prohibited during the school day. Other wireless devices may be used exclusively for educational purposes only when allowed by the teacher with administrative approval. Abuse and misuse may result in disciplinary action.

### **ATHLETIC PHILOSOPHY**

*Participation in athletics as a student is a privilege. With this privilege comes a level of expectation and responsibility. It is the hope of Cowan Jr/Sr High School that our student-athletes will obtain a dual education while participating in sports. Not only will they be held to our high academic standards, but the life-skills they will obtain by being part of a team will better prepare them for life after graduation. As a member of Cowan Athletics, it is important that students realize they represent themselves, their families, their team, Cowan Jr/Sr High, and our community. Any actions that tarnish our image of respect will be dealt with accordingly. Additionally, we hope parents will aide in this effort as well by being positive supporters of our programs and help their students learn and grow through the athletic experience.*

## **ATHLETIC DEPARTMENT RULES**

The following are the minimum training standards for all Cowan JH and HS athletes.

1. No use or possession of tobacco products of any kind.
2. No drinking or possession of alcoholic beverages (includes possession by consumption).
3. No illegal use, possession or sale of controlled substances (drugs).
4. The privilege of participating on a Cowan Junior High or High School athletic team carries with it the responsibility to exemplify appropriate standards of behavior and to abide by the rules of conduct outlined in the Cowan Jr/Sr High School student handbook. Inappropriate behavior includes, but is not limited to, the commission of misdemeanor or felony crimes, assault, theft, fighting, etc. Possession of stolen property constitutes theft.
5. If a student-athlete is suspended from school they will serve an equal game suspension. Example: 3 days Out-of-School suspension=3 games missed due to athletic department suspension.
6. Students wanting to participate in athletics are to be eligible through the random drug testing policy.

***THESE RULES ARE IN EFFECT 24 HOURS A DAY AND 12 MONTHS A YEAR.***

\*\* Athletes are reminded (as previously stated in the student handbook) they are ineligible for participation if criminal charges are pending against them.

## **PARTICIPATION IN DUAL SPORTS**

If an athlete wishes to compete in two sports in one season they must request a meeting with the Principal, AD, and the two coaches **prior to the official first day of practice for the sport that begins first**. An agreement will be signed designating which sport is PRIMARY (with a potential to earn a varsity letter in that sport) and which is SECONDARY (JV award will be given regardless)-no athlete will be able to earn two varsity letters in the same sports season, but participation in two sports is allowed.

## **VIOLATION OF ATHLETIC DEPARTMENT RULES**

When it is suspected or reported that athletic department rules have been violated, an investigation will be conducted by the athletic director and/or principal. The investigator(s) shall determine if the rules have been violated and if so, the penalty to be levied. The investigator(s) will notify the coach of the sport involved and may request that he/she be part of the investigation process.

## **PENALTIES**

Violations are cumulative and carry over throughout the athlete's entire four-year career while at Cowan High School and are not sport specific. Penalties will carry over into the next sport season if the penalty is not completed prior to the end of the sport in which the violation occurs. Junior high athletes will be penalized according to the policy below but the penalties will not carry over into their high school career. (A contest is defined as an interscholastic event with another school in which there is a winner and loser. The contest counts towards a team's overall record.)

1 <sup>st</sup> Violation	Suspension from 25% of the total number of contests scheduled in the sport in which the violation occurs.
2 <sup>nd</sup> Violation	Suspension from 50% of the total number of contests scheduled in the sport in which the violation occurs.
3 <sup>rd</sup> Violation	Suspension from participation for 365 days. This means the athlete will not compete on any team for 365 calendar days. The athlete, along with his/her parent/guardian must request reinstatement to compete in athletics at the conclusion of the 365 days.
4 <sup>th</sup> Violation	The athlete will not be permitted to participate during the remainder of his/her attendance at Cowan High School.

If an athlete is suspended, he/she may be allowed to participate in practice while serving the suspension. **IF AN ATHLETE DOES NOT COMPLETE A SEASON DUE TO SERVING A PENALTY OUTLINED ABOVE, HE/SHE WILL NOT RECEIVE AN ATHLETIC AWARD FOR THAT SPORT.**

### **APPEAL PROCESS FOR ATHLETIC DEPARTMENT RULES**

If a student believes that the athletic department rules were not correctly interpreted in relation to their particular case, that student, within 2 school days, must submit in writing to the principal an appeal specifically outlining the reason(s) why he/she feels the rules were not correctly applied. If the principal believes that the athletic department rules were correctly applied, the principal may deny the appeal. If the principal believes that an error was made in applying or interpreting the rules, the principal may overrule the decision and/or reduce the penalty.

### **COACH'S RULES**

**A coach may establish additional rules for his/her sport such as: curfew hours, practice attendance, punctuality, dress and appearance, care of equipment, etc. A coach shall have the right to discipline athletes for violation(s) of their respective team rules and regulations, including dismissal of the athlete from the team.**

### **ATHLETE'S RESPONSIBILITIES**

1. Adhere to policies established by the Indiana High School Athletic Association.
2. Display high standards of social behavior.
3. Promote outstanding sportsmanship.
4. Be respectful of teachers, coaches, officials, opponents, and teammates.
5. Dress with special care when attending a contest. Keep yourself neat and clean.
6. Use socially acceptable language. Profanity and obscene gestures are not at all tolerable.

## ATTENDANCE

**Once a student-athlete has made the commitment to be a member of an athletic team, they are committed to attending all practices, games and team functions. At this point they are not only making a commitment to themselves, but also the TEAM. Under some circumstances a student-athlete can/will be excused from a team activity.**

1. A student-athlete must be in attendance at school on the day of a scheduled contest or practice for the entire day to be eligible to participate. Students who miss part of school or an entire day because of one of the following reasons: death in family, absences certified as necessary by a doctor, doctor or dental appointments, election workers, pre-arranged religious holidays, subpoenaed to court, active duty in National Guard or other reasons granted by the administration will be excused.
2. Student-athletes who are absent from school the last day of the week for an excusable reason may participate in practices and/or contests on the following day provided their health has sufficiently improved and both the parent and coach approve.
3. It is the student-athletes responsibility to let the head coach know if they are going to be absent from a practice or game.
4. Student-athletes who miss practice or a game due to: court order or any other legal mandates, will not be punished for missing.
5. Vacations by team members during the season are discouraged. A student-athlete has made a commitment to his/her team and that comes with certain sacrifices. In the event that a family vacation cannot be avoided, an athlete must:
  - a. Notify the head coach in advance of the trip.
  - b. Be accompanied by his/her parents.
  - c. Be willing to accept change in team status/playing time when returning to the team.

## SOCIAL NETWORKING

Student-athletes are responsible for all information contained in written or electron transmissions (i.e. e-mail) and any information posted on public domain (i.e. Internet, chat rooms, blogs, Facebook, YouTube, Twitter, Snap Chat, Instagram, etc.). Inappropriate, embarrassing or disrespectful information or pictures should not be posted in any public domain. Student-athletes are not precluded from participation in online social networks: however student-athletes should be reminded that they serve as representatives of their team, the athletic program and Cowan Jr/Sr High School.

Texting, tweeting and uses of other social networks to disparage or criticize the team, teammates, other students, opponents, coaches or other school personnel is inappropriate behavior and unbecoming of a Cowan Jr/Sr High School student-athlete. Any individual identified on a social networking site which depicts illegal or inappropriate behavior, due to athletic or school policy, will be considered in violation and subject to athletic discipline or suspension.

Examples of inappropriate and offensive behaviors concerning participation in online

communities may include but are not limited to depictions or presentations of the following:

1. Posting photos, videos, comments or posters showing the personal use of alcohol and tobacco.
2. Posting photos, videos, comments or posters that condone drug related activity. This includes but is not limited to images that portray the personal use of marijuana and other illegal drug paraphernalia.
3. Demeaning other athletes and/or coaches, Cowan or otherwise.

Be aware that potential current and future employers and college admissions offices often access information you place on-line social networking sites. You should think about any information you post which could potentially provide an image of you to a prospective employer or school. The information is considered public information. Protect yourself by maintaining a self-image that you can be proud of years from now.
